

Commonwealth of Virginia
Office of the Governor

Executive Order

NUMBER TWENTY-TWO (2022)

DECLARATION OF A STATE OF EMERGENCY DUE TO HURRICANE IAN

Importance of the Issue

The Virginia Emergency Operations Center has been monitoring Hurricane Ian that, as of 0500 this morning, was located 75 miles WSW of Naples, FL, moving at 10 mph. Ian is expected to make landfall in Florida this afternoon as a catastrophic Category 4 hurricane. Although the forecasted tracks will become more certain in the coming days, Virginia is leaning forward given the likelihood of severe rainfall, flooding, wind damage, tornadoes, and other storm-related impacts as Ian moves north into the Commonwealth and neighboring jurisdictions. The effects of this weather system are also likely to cause significant impacts to infrastructure, roadways, and utilities. Pre-positioning supplies will be necessary to assist our local partners, and the Virginia Emergency Support Team will continue to support this incident.

The anticipated effects of this situation constitute a disaster as described in § 44-146.16 of the Code of Virginia (Code). Therefore, by virtue of the authority vested in me by Article V, Section 7 of the Constitution of Virginia, by §§ 44-146.17 and 44-75.1 of the Code, as Governor and Director of Emergency Management and Commander-in-Chief of the Commonwealth's armed forces, Virginia National Guard, I proclaim a state of emergency. Accordingly, I direct state and local governments to render appropriate assistance to prepare for this event, to alleviate any conditions resulting from the situation, and to implement recovery and mitigation operations and activities so as to return impacted areas to pre-event conditions as much as possible. Emergency services shall be conducted in accordance with § 44-146.13 et seq. of the Code.

Directive

In order to marshal all public resources and appropriate preparedness, response, and recovery measures, I order the following actions:

1. Implementation by state agencies of the Commonwealth of Virginia Emergency Operations Plan, as amended, along with other appropriate state plans.
2. Activation of the Virginia Emergency Operations Center and the Virginia Emergency Support Team, as directed by the State Coordinator of Emergency Management, to coordinate the provision of assistance to state, local, and tribal governments and to facilitate emergency services assignments to other agencies.
3. Authorization for the heads of executive branch agencies, on behalf of their regulatory boards as appropriate, and with the concurrence of their Cabinet Secretary, to waive any state requirement or regulation, and enter into contracts without regard to normal procedures or formalities, and without regard to application or permit fees or royalties. All waivers issued by agencies shall be posted on their websites.
4. Activation of § 59.1-525 et seq. of the Code related to price gouging.
5. Authorization of a maximum of \$2,750,000 in state sum sufficient funds for state and local government mission assignments and state response and recovery operations authorized and coordinated through the Virginia Department of Emergency Management allowable by The Stafford Act, 42 U.S.C. § 5121 et seq. Included in this authorization is \$750,000.00 for the Department of Military Affairs.
6. Activation of the Virginia National Guard to State Active Duty.

Effective Date of this Executive Order

This Executive Order shall be effective September 28, 2022, and shall remain in full force and in effect until October 27, 2022, unless sooner amended or rescinded by further executive order. Termination of this Executive Order is not intended to terminate any federal type benefits granted or to be granted due to injury or death as a result of service under this Executive Order.

Given under my hand and under the Seal of the Commonwealth of Virginia, this 28th day of September 2022.
